Re South East Queensland Natural Resource Management Plan 2009–2031

On behalf of the South East Queensland Regional Coordination Group, I thank you for your interest and valuable contribution to the *South East Queensland Natural Resource Management Plan 2009–2031* (SEQ NRM Plan). It was instrumental in helping to finalise the SEQ NRM Plan.

The SEQ NRM Plan is now published and can be downloaded from www.derm.qld.gov.au or, alternatively, requests for hard copies can be obtained by emailing SEQRCG@derm.qld.gov.au.

SEQ Natural Resource Management Plan 2009-2031 Report on Forums and Submissions is also available on request. The report summarises issues raised during the public forums held during April – May 2009 and submissions provided during December 2008 – May 2009.

The South East Queensland Regional Coordination Group greatly values your continued participation in environment and natural resource management in our region. We look forward to working with you to improve environment and natural resource management outcomes over the coming years. Should you require any additional information please phone Lorraine Briggs on (07) 5583 1775.

Yours sincerely

Paul McDonald

Chair
South East Queensland Regional Coordination Group

The South East Regional Coordination Group incorporates:

Departments of the **State Government** working with South East Queensland Traditional Owner Alliance, Growcom, South East Queensland Catchments Ltd, SEQ Healthy Waterways Partnership, Consortium for Integrated Resource Management, Council of Mayors (SEQ), Ipswich City Council, Queensland Water Commission, SEQ Water, and Queensland Conservation Council.

With a mission to support and improve through partnership the regional natural resource management arrangements for the South East of Queensland.
